D. MUSIC

COMPETITION MUSIC INFORMATION (Required component of online registration)

U.S. Figure Skating requires all competitors to fully complete a competition music information form as part of the online registration process.

The following information is required for each piece of music used in the composition of the short program/original dance and free skate/free dance: composer, orchestra, duration of music, record label/number (optional but highly recommended if obtainable).

COMPACT DISCS (CDs)

For all qualifying events during the 2010 season, CDs are the only acceptable media. CDs must be clearly marked with name, event entered and the music length. **Each CD must have only ONE (1) track on it. In the case of a short program and free program, two (2) separate discs must be used.** Any disc with more than one (1) track will NOT be accepted! Lead in time (time before the music begins) on CDs may not exceed two (2) seconds.

Standard hard plastic jewel cases or other CD holders are no longer acceptable. CDs that are not properly identified will NOT be accepted. **Due to compatibility and reliability reasons, music may NOT be submitted on re-recordable "CD-RW" discs.**

Competition music must be turned in at the registration desk at the time of registration. At the Championships, competitors will not receive their credentials at registration until they turn in their music. The originals used at the Regional Championships will be forwarded to the

2010 Regional Figure Skating Championships

Sectional Championships and the U.S. Junior Championships for those advancing. Those qualifying from the Sectional Championships will have their original music forwarded on to the U.S. Junior Championships/U.S. Championships.

Skaters receiving byes to the U.S. Championships must mail their competition music on CD no later than one (1) month (Dec. 13, 2009) prior to the start of the U.S. Championships to the following address:
